## **Terms of Trade**

Unless informed otherwise payment in full is due 20<sup>th</sup> of the month following invoice date.

Wairarapa Olive harvesting will undertake harvesting and transport with all due care but will not

accept any claim for loss of damage to fruit due to mechanical breakdown or accident.

Wairarapa Olive Harvesting reserves the right to charge a gate fee to cover milage/wages/Harvester unloading/loading for reasons such as :

- bookings made and no fruit on trees at harvest
- fruit not ready to harvest

## **Booking**

Booking is required preferably by email with approximate harvest date, number of trees to be harvested by date/ variety.

Where possible Wairarapa Olive Harvesting will accept limited fixed date bookings. Harvest will start on that date saving breakdown or weather. Once committed all other bookings will be on a first in first harvested basis with a commitment to be there on an approximate date.

Customers are responsible for press bookings.

Confirmation of harvesting will be required prior to harvest.

Where harvesting is required by variety a grove map is to be provided and/or rows to be harvested marked by row within the grove prior to harvest date.
